## BOLT FROM THE COUNCIL CAUCUS

Robertson, Davis, Daveler and Vigus All Quit.

BITTER WAR IN FULL SWING

BATTLE WILL BE FOUGHT OUT IN THE COUNCIL TODAY.

NOTHER and final attempt to settle in caucus the differences of the Republican majority of the new + city council over the presidency came to naught yesterday afternoon. The contest for control of the organization will be fought out this noon in open + ouncil, and so fine have the lines been | + drawn that one vote either way will + break the spell. Four Republicans, + Robertson, Davis, Daveler and Vigus, + yesterday bolted—that is, refused to czucus—but the other seven remained and selected Cottrell as their nominee. Inasmuch as it will take eight votes in the council to elect the president, t is apparent that one more vote is recessary for Cottrell's election. He cannot get it from the bolting Republicans, and his hope is to win over one Democrat. On the other hand, Davis has four solid votes, and his only hope of winning out is to get the entire four Democratic votes. If the Democrats hold aloof from the contest it will be a three-cornered affair, and then there will be delay in organizing the new council.

Even before the caucus was attempt-Even before the caucus was attempted yesterday afternoon in the mayor's office there was little to give hope that any agreement would be reached between the two factions. The meeting was se'ed for 3 o clock, but it was several minutes after that time before the solid four non-Mormon members came in together. Then there was another long weit for Rahiman of the other long wit for Robinson of the First precinct.

Referring to the incident of Friday ight , hen he challenged any one to cite one instance wherein he had shown himself to be radically anti-Mormon, as had been charged against him because of his earnest support of his friend Davis for the presidency, Robertson said he regretted it if any of his Morgan colleagues had taken offense. The National Homeseekers' association will furnish you the money to buy a home any place you wish it, and will give you 16 years and 8 months to pay for it at the rate of \$5.50 per month on each thousand, and no interest is charged. Now this looks easy and some people say it is too easy to be true, but if you will take a few minutes' time to have this system fully explained you will be able to see the advantage of this plan, and will see wherein you can save all the money you are paying out in rent or interest and buy a home of your own for less money.

Below are the payments required in buying a home:

\$1.000 home, monthly payment, \$5.50.
\$2.000 home, monthly payment, \$1.00.
\$5.000 home, monthly payment, \$27.50.
These payments do not mean rent or interest but apply as a direct credit to the principal.
